

Kabankalan City Water District Embraces Family Week with Compassion

The Kabankalan City Water District (KCWD) wholeheartedly embraced the spirit of Family Week 2024, participating in the "Adopt a Family Program" on September 30, 2024, at the K-CENTER. The event, organized by the City Social Welfare and Development Office (CSWDO) Kabankalan Staff, aimed to provide support and uplift families in need.

Prior to the culminating activity, KCWD joined a donation drive on September 25, 2024, to assist their adopted family, the Jusayan Family from Barangay Daan Banwa. A total of 41 families from 32 barangays were adopted under the program, which carried the theme "Pamilyang Tumutugon sa Pagbabago ng Panahon."

KCWD's participation in the Adopt a Family Program was more than just a corporate responsibility; it was a heartfelt act of compassion and solidarity. By supporting the Jusayan Family, KCWD demonstrated its commitment to fostering strong, resilient families and creating a more compassionate community. The district's involvement in the program was a testament to the belief that every family deserves a helping hand, especially during challenging times.
